

AH2

Manually foldable display

FEATURES

- Manually foldable from 0° to 110°
- Totally adjustable position
- Ready for desk mounting
- Auto-power off
- Maintenance free
- HDCP compliant
- Energy saving design
- Easy to install

GENERAL

AH2 manually foldable displays have been designed to be installed into tables or desks.

AH2 can be opened to a working position of 110° and it can be manually folded on the table surface with the screen facing down. AH2 has been designed for a very easy installation on standard furniture and it is extremely elegant and compact. The monitor is entirely built in solid milled aluminium with a natural anodised finish and has anti-reflection black edged glass which can be a multi-touch screen (optional). AH2 is available in 17.3" & 22".
