

CourtesyBox

Motorized housing for bottles and glasses

Highlights

- Motorized housing for bottles and glasses
- Can be veneered
- Maintenance free
- Personalized finish
- Control buttons on cover plate
- Easy installation
- Compact, space-optimizing and elegant solution
- Silent, reliable and durable solution
- Serial control and remote diagnosis
- Compatible wireless connectivity for setup and control via AHlink

General

The CourtesyBox is a motorized solution to hide anything in the tables, keeping the surface clean. The CourtesyBox can be controlled locally or remotely through RS-422/RS-485 Full Duplex and the open/close button can be disabled or locked. The CourtesyBox can also be daisy chained with all the rest of Arthur Holm motorized products using CAT6 cables for control. The Courtesy Box is designed to be installed on horizontal surfaces of furniture. When the hatch is closed, it leaves the desk free of any obtrusive elements.

The CourtesyBox shall be compatible with the AHlink wireless Android and iOS App for the setup, diagnosis and control, making its installation and service easy and straightforward.
